● Extension & Outreach Activities :

Diabetic Retinopathy Camp – 6th December 2023.

There was a Diabetic Retinopathy screening camp organised by Ophthalmology Department headed by **Dr (Col) OK Radhakrishnan** on 6/12/2023 in DY Patil Medical College, Pimpri, Pune. The camp was Organized to screen Diabetic Retinopathy changes in elderly people and to spread awareness about the same. A detailed speech about the same was delivered by **Dr Radhika Paranjpe**, Professor. Several people had attended the camp. The detailed fundus examination was done of patients and their condition was explained thoroughly. A new fundus camera was used to take detailed fundus photos of undilated patients. This procedure was hence less invasive and more patient friendly. Patient details and fundus photos were recorded. Patients of different ages showed up for the camp. Detailed screening was done and awareness was created for the same. The camp was a huge success and was able to reach out to a large number of people.
